

# The Alan HEADING Family

by Beverley Heading nee Chafer

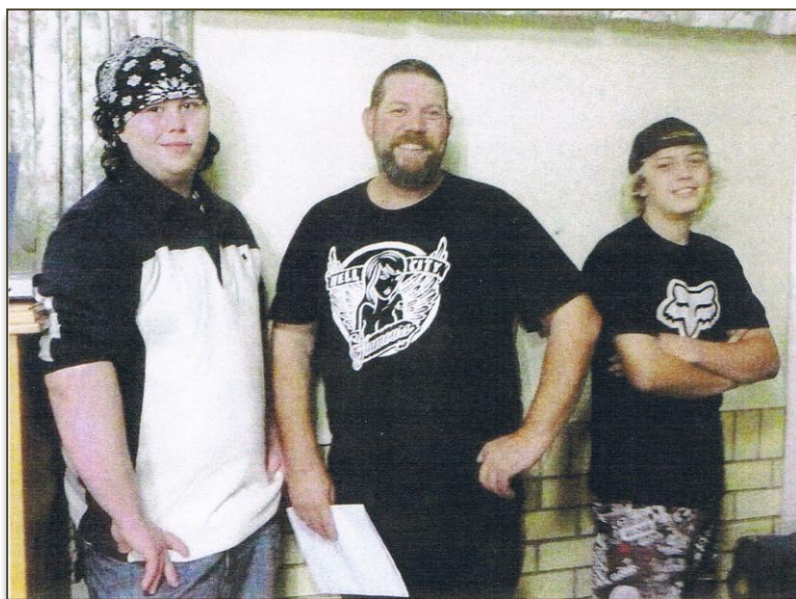

*In memory of my late husband Alan Heading*

Alan's family, **Arthur** and **Hazel Heading**, brothers **Bill** and **Colin** and sister **Carole** came to Maleny from Durong in 1949 when Alan was 7. They bought the farm at North Maleny. **Ross** was born here in Maleny. Alan attended Primary and High School up at the school in Cedar Street. He had beautiful friends, fond memories and the joy of riding his horse to school. Carole and Ross also attended at Maleny.

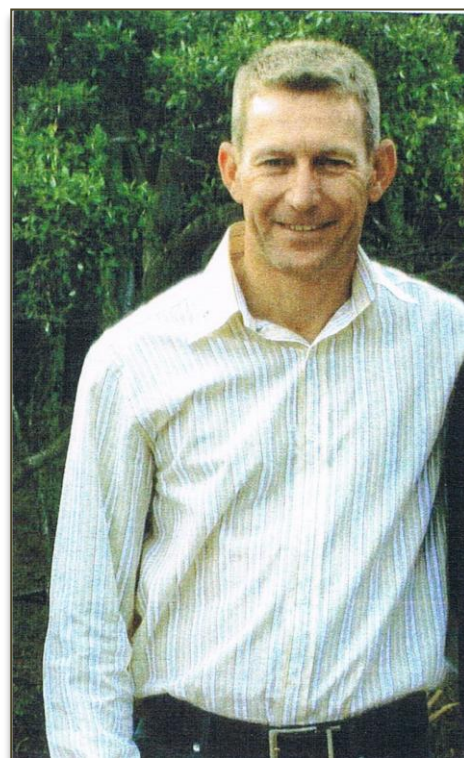

Bill and Sandra's family **Vicki** and **Brett** and their grand-children **Kirsty**, **Jake** and **Luke** along with Ross and Vicki's family **Kylie**, **Chris** and **Matthew** also attended Maleny School. Sandra (Walker/Heading) had also attended Maleny High along with her sisters Maxine and Jan, riding up from Peachester to meet the school bus on Wootha Road.

Our sons **Ralph** and **Rodney** attended firstly Kindy/Pre-School in Cedar Street and then Primary and High School in Bunya Street. Rodney's sons, our grandsons, **Joey** and **Jimi** did their primary in Bunya Street and then to the new High School up on the hill. Our association with each of the 3 schools has spanned over the last 60 years.
